19 The Court hereby gives notice pursuant to Federal Rule of
20 Civil Procedure 53(b)(1) that it intends to appoint Mr. Martin
21 Quinn, Esq. as temporary Special Master. The reason for this
22 appointment is the temporary incapacity due to illness of the
23 serving Special Master, the Hon. Charles A. Legge (Ret.). The
24 Court intends to grant Mr. Quinn all the rights and authority
25 presently granted to Judge Legge, but only until Judge Legge is
26 able to resume his duties. It is the Court's intention that Mr.
27 Quinn, if appointed, proceed with the pending hearings on the
28 motions now calendared for April 29 and May 1.

Any party wishing to be heard regarding this appointment should file papers with the Court within two business days of this Order's signature date. The Court will make a determination on the appointment of the interim Special Master without oral argument per Civil Local Rule 7-1(b).

IT IS SO ORDERED.
